# OMKAR DONGARE

## Computer Science Student

📞 9082370064 ✉ dongareomkar1618@gmail.com 🔗 linkedin.com/in/omkardongare18 📍 Mumbai

## SUMMARY

Proficient and results-driven third-year Bachelor of Science (Computer Science) student with expertise in Java, C#, and web development. Skilled in object-oriented programming, database management, and API integration. Experienced in developing innovative solutions using ASP.NET, Flutter, and Firebase. Strong collaborative skills with a proven ability to lead and contribute to team projects. Eager to leverage technical expertise to contribute to software engineering and full-stack development roles

## PROJECTS

### Smart Financial Advisor App

Tech Stack: Flutter, Firebase, Dialogflow
Developed an AI-powered financial advisor app for families with personalized investment advice, transaction tracking, spending insights, and a chatbot. Used Plaid API for secure bank integration and real-time data handling.

### Music App

Tech Stack: Java, Android Studio

Built a music streaming app with features like audio file management, smooth playback using multithreading, and intuitive UI using OOP principles.

### Portfolio Website

Tech Stack:HTML, CSS, and JavaScript
Designed a clean, responsive layout with custom styling and interactive features.
Organized assets efficiently for scalability and performance.

### Grocery Store Management Website

Tech Stack: ASP.NET, MVC, SQL

Created a full-stack system to manage inventory, customer orders, and transactions. Implemented SQL for database handling and secure login system.

## EDUCATION

**Bachelor of Science, Computer Science**
**Kishinchand Chellaram College, Mumbai**
**CGPA: 9.05**                    2025

## SKILLS

- Java
- Python
- C#
- DBMS
- SQL
- Android Development
- ASP.NET
- Firebase,
- Flutter
- MVC Architecture

## EXTRACURRICULAR ACTIVITIES

**International Conference on Artificial Intelligence - Navigating Future Frontiers, KC College**
Organizing Committee Member

**Tech Club, Fiestron 2024–2025, KC College**
Team Member

**Classroom Presentation Group, KC College**
Group Leader

## RESEARCH & PUBLICATIONS

**"Research paper submitted on Smart Financial Advisor system exploring the application of AI/ML in personalized investment suggestions and financial planning."**
Presented at KC College Date:[31jan,2025]
